

# Tyler Threat F. C.

Dear

Tyler Indoor Sports Complex has been a part of the East Texas community for over 10 years. With over 18,000 square feet, our fully air conditioned facility offers a fun family atmosphere. Throughout the years we have continued to grow and innovate our facility through different activities such as our latest patio and outdoor sitting.

Recently, the facility underwent new management and the decision to keep East Texas' only semi-pro soccer team was made. Tyler Threat F.C. will begin their season on June 6, 2011. This is a great opportunity for residents of East Texas to experience the fun and competitive atmosphere indoor soccer has to offer. It is also an opportunity for your organization to get involved.

Tyler Threat's games offer traffic of over 300 potential customers per home game. In their fourth season, Tyler Threat F.C. is looking for partners at multiple levels in order to make this a memorable experience for both players and attendees. We have included an outline of the different opportunities and the benefits available when you partner with Tyler Threat.

If you would like additional information or to be a partner to Tyler Threat F.C., please contact us at 903.597.2000.

Sincerely,

Chase Doyle  
Tyler Threat F.C. Team Manager
